

Overview

ConneXions Extreme is a 9 month, full-time, residential leader development program that is designed for emerging leaders, ages 18-30 (this is a targeted age range not a strict rule).

Duration—we start our program in September on the day after Labor Day and continue until the first part of June of the following year

Cost—

- **Participation fee:** \$3,500.00 (can be paid during or after the program in monthly installments)
- **Application Processing Fee:**
 - before June 1st: \$250.00 (must be given with application)
 - after June 1st: \$750.00 (must be given with application)

International Mission Trip—2-4 weeks towards the end of the 9 months will be spent on an international mission trip. Funds for this trip will be raised during the program and are not included in the participation fee.

Normal Weekly Schedule—we normally operate at our training center from Tuesday through Saturday, 8:30 AM-5:30 PM. Monday's are scheduled as a personal day and Sunday's are required attendance at a participating local church.

Special Trips—we will take special one-day, weekend and week-long trips to different ministry centers, venues and retreat centers throughout the United States. There is no additional cost for these trips.

Support Community—you will be connected with various roles that will both nurture you and hold you accountable. You must *choose vulnerability*, it is of *no benefit* to you to hide things from your accountability relationships and you will end up wasting your time and ours.

Learning Experiences—you will have many opportunities to complete learning experiences ranging from reading and writing to various creative expressions. The learning will be *intense* and you will need to maintain a strict focus.
